

SHOTBLAST

TRIGGER AND MECHANISM CLEANER

OIL

DIRT

GREASE

PRODUCT DESCRIPTION

SHOTBLAST is a uniquely formulated aerosol-based application for the removal of carbon, old grease, and oily residue. Designed specifically for cleaning triggers and hard-to-reach areas within your firearm assembly SHOTBLAST is known to remove carbon-related fouling and patterns from metal surfaces.

SHOTBLAST produces a powerful blast of solvent to ease cleaning and drive out any unwanted residue on contact. SHOTBLAST at the ready - aim, fire, and clean.

AEROSOL
400 ml | VLD - SHB400

RECOMMENDED DIRECTIONS

- Secure and unload the firearm
- SHOTBLAST is a pressurized degreaser to remove moly, grease, oil, and carbon from metal surfaces.
- Always ensure that the can is facing away from your face before applying SHOTBLAST to the targeted metal surface.
- SHOTBLAST's pressurized application blasts dirt and debris from parts whilst cleaning.
- This cleaner has a rapid drying additive and will immediately start drying after spraying without leaving a residue.
- Always wipe and clean spilt SHOTBLAST immediately and avoid prolonged contact with coatings and varnishes.
- Ensure that equipment and parts are wiped clean before reassembly.
- Parts can be treated with RIFLEARMOR to safeguard against dust and corrosion.

RECOMMENDED

REMOVAL OF OIL, GREASE,
CARBON BUILDUP

COMPATIBILITY

RIFLES
PISTOLS
SHOTGUNS
TRIGGERS
FIRING MECHANISMS

SPECIAL ABILITY

Extreme pressure can blasts dirt from parts.

Quick drying technology allows for no residual chemicals on parts surfaces.

Increase cleaning potential to attack more carbon and remove more oily residue than its counterparts.

Superior cleaning ability with precision chemical technology for the precision enthusiast.

IMPORTANT NOTES

- Avoid spraying the product in your eyes. Always wear safety glasses when using this products.
- The additional pressure in the can is useful when blasting away dirt and debris. Be careful of overspray and avoid solvent landing on unwanted surfaces.
- This is an extremely powerful product and caution should be taken when used.
